ABOUT OUR COMPANY

T BRAND BD specializes in premium-quality jute products including handmade bags, home décor items, sustainable lifestyle products, and export-grade jute solutions for global markets.

With skilled craftsmanship, eco-friendly materials, and ethical production practices, the company is committed to delivering sustainable and high-quality products worldwide.

"I founded T BRAND BD to prove that the artisanal traditions of Bangladesh could compete with the world's finest. Today, every piece we create is a bridge between rural mastery and global elegance."

**Khurshida Parveen
Toma
Founder & CEO**

Khurshida's entrepreneurial spirit found its home in 2020, amidst the vibrant landscapes of Parbatipur. What started as a focused initiative to preserve traditional handicrafts has blossomed into a sophisticated export house that empowers hundreds of women through skilled artistry.

Beyond the factory walls, Khurshida has built a legacy of hands-on mentorship. Having personally trained her first cohort of 50 artisans, she now oversees a multi-sector operation that spans across villages. Under her guidance, T BRAND BD has become a symbol of how ethical production and premium design can move forward hand-in-hand.

COMPANY PROFILE

MISSION & VISION

Mission

To deliver premium-quality, eco-friendly, and sustainable jute products that meet international standards while creating long-term value for customers, communities, and the environment.

T BRAND BD is committed to combining traditional Bangladeshi craftsmanship with modern innovation to produce export-quality handmade jute products for global markets. The company focuses on customer satisfaction through quality assurance, ethical manufacturing, timely delivery, competitive pricing, and customized production solutions.

Through sustainable business practices, skilled artisan development, and environmentally responsible production, T BRAND BD aims to contribute to a greener future while empowering women artisans and supporting local communities.

Our Mission Focus

- Export-quality manufacturing
- Customer satisfaction & trust
- Sustainable and biodegradable products
- Ethical production practices
- Timely delivery & reliable service
- Innovation and continuous improvement
- Women empowerment & artisan development
- Environmentally responsible business growth

Vision

To become a globally recognized and trusted leader in the jute industry by promoting sustainable innovation, premium craftsmanship, and environmentally conscious manufacturing.

T BRAND BD envisions building a strong international presence through high-quality handmade jute products that reflect creativity, durability, and authentic Bangladeshi heritage. The company strives to set industry standards in sustainability, compliance, ethical practices, and export excellence while maintaining long-term partnerships with global buyers.

By continuously improving technology, production capability, quality standards, and professional expertise, T BRAND BD aims to lead the transition toward eco-friendly alternatives and contribute to a more sustainable world.

Our Vision Goals

- Global leadership in sustainable jute products
- International brand recognition
- Technology-driven production growth
- Compliance with global standards
- Expansion into international markets
- Sustainable and ethical manufacturing
- Long-term customer partnerships
- Contribution to a greener future

Strength & Capabilities

People are the foundation of T BRAND BD's success. Our artisans are the driving force behind every handcrafted product we create.

The company strongly believes in women empowerment and inclusive employment opportunities. A significant portion of our workforce consists of skilled women artisans, creating a supportive, ethical, and sustainable working environment.
